How the IG County App will appear to on your mobile device downloaded from the link above in the App Store.

The principle will remain the same for users with Android devices downloading from the Google Play store.

Once downloaded, you can select Kent Golf Union, which will filter information only to that specific County content.

All members at Kent Golf Union affiliated Clubs will be able to access the information.

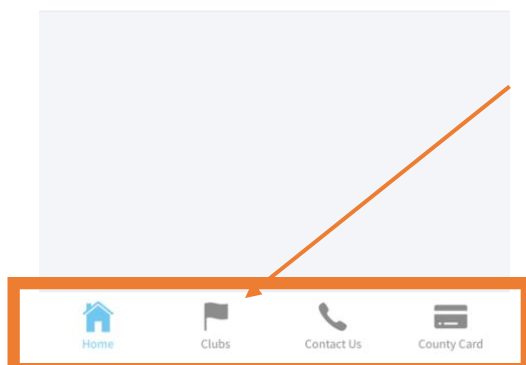

Once selected the County Card App will change from the Green Colour to the respective County Colours.

The content available will then display the upcoming competitions – which if selected will direct to the Kent Golf website to enter the event online.

Furthermore, the App will display the same content as the Kent Golf website.

As shown here, the option to view the various Kent Affiliated Golf Clubs, Contact Details and displaying the County Card.

The County Card display:

In order to add your County Card, you will need to know your 10-digit CDH number, **if you don't know this please contact your Golf Club Secretary or Handicap Secretary.**

You also have the option to enable to receive notifications regarding County Events and News from Kent Golf Union.

The screenshot shows the 'County Card' activation screen. At the top is a blue header with a menu icon and the Kent Golf Union logo. Below the header, the text reads 'County Card' and 'To add the county card to your phone, please enter your CDH number below.' There are input fields for '10 digit CDH', 'Surname', and 'Email Address'. Below these fields is a section for notifications: 'Receive notifications about County Events and News from your home county. You can change this later in the Notifications Settings page.' There is an 'Enable' toggle switch which is currently turned off. At the bottom of the form is a yellow button labeled 'Activate County Card'. The bottom navigation bar shows icons for 'Home', 'Clubs', 'Contact Us', and 'County Card'.

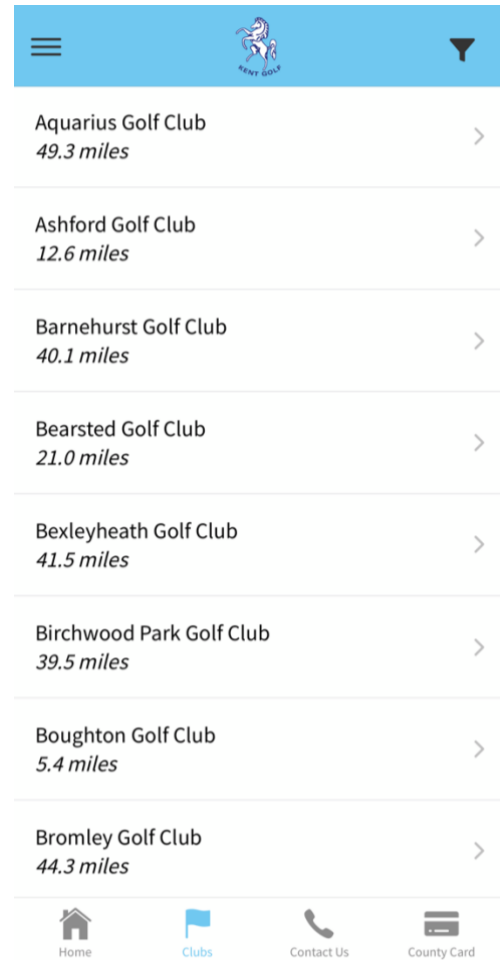

Displayed to the left is how the County Card will appear once you've input the correct information: CDH, Surname and email into the app.

This will only be available to current members of Kent Golf Union affiliated clubs. For any queries with your CDH number please contact your Golf Club Secretary / Handicap Secretary.

When you select the Clubs button at the bottom of the app this will list all of the affiliated Kent Clubs, the distance from the user and when selected, the club contact details.

When accessing the details of the affiliated golf club you need to manually enter the Golf Club telephone number to make a call.

The County Card can be displayed on the lock screen in the same way that Bank cards can be with Apple Pay or any other items in the Apple Wallet **(only available on iPhones).**
