

Captains News Letter

I would like to welcome all Members and Staff back to the Club after the Governments long enforced lock down.

I hope everyone is happy with the tee off booking system collated by Martin and Neil. I thank them greatly for all their time and effort. If anyone has any other means or improvement please let me know.

I would also like to welcome Tom Baldwin and Mark Havers onto the green keeping team. They will I am sure be a worthwhile asset to the Club.

A situation has risen recently of inappropriate and unacceptable behaviour around the club. This is demeaning to other club users and will not be tolerated. For the clubs good name and reputation, I ask all club users to act sensibly and responsibly at all times. Any proven accusations of bad behaviour in the club will result in a short or long time ban.

On my inspection around the course I have noted a small amount of sweet wrappers, empty cans and bottles discarded in the shrubbery. If you do take food or drink out on the course please put the wrappers and empty cans/bottles in the bins provided or preferably take it home. Let us be proud of our club and keep it clean.

Despite the short notice, the Gillingham Open I am pleased to say was a great success. I have had good feedback and look forward to next years event. Other limited club competitions are being planned so please keep your eyes on the notice boards.

You will notice two new banners around the club representing my chosen charities. Your support for these charities would be most appreciated. So please if you can, give generously throughout the year.

As a reminder, please adhere to the dress code on the course and enjoy your golf.

Roy Walker
Club Captain
