

Course Playing Rules

With Competitions, Matches etc., the Tees are closed 10 minutes before the first competitors are due to Tee Off. With, for example, an 8.30am start that means no casual play is permitted to Tee Off after 8.20am.

As our Course is compact and for reasons of Safety and Golfing Etiquette the following Playing Rules apply.

1st TEE – Do not Tee Off until the 1st Green is clear

1st TEE – Alternate teeing off with those coming off the 18th Green who are continuing with their Round

1st GREEN – Do not walk onto the Green if someone is Teeing Off on the 11th Tee

10th GREEN - Do not walk onto the Green if someone is Teeing Off on the 14th Tee

11th TEE – Do not Tee Off if someone is already on the 1st Green

Finishing on 11th Hole – If players are waiting on the 12th Tee and you are finishing your Round on 11th Hole please as early as possible indicate to them they without delay can play from the 12th Tee.

NEW 12th TEE Rule – You can Tee Off the 12th Tee if anyone playing the 11th Hole is either on the 11th Tee or having played their Tee Shot has not yet walked beyond the 2 Ridges situated just before the 11th Fairway. As soon as anyone playing the 11th Hole has walked beyond those 2 Ridges then you must NOT Tee Off on the 12th Tee allowing them to play through the 12th Hole without delay. (By order of the Club Captains Committee - 4th December 2018)

14th TEE – Do not Tee Off if anyone is on the 10th Green

Robert Longo

Club Captain.
